

AUTOMATED, REAL-TIME PRODUCT INVENTORY STATUS FOR YOUR XMPIE RUN WEB-TO-PRINT BUSINESS

WHAT STOREFLOW CAN DO FOR YOU:

- Manage the complete workflow for web-to-print
- Conveniently set up and maintain your storefront
- Offer built-in prepress automation
- Produce mobile friendly storefronts

INTEGRATION WITH XMPIE STOREFLOW

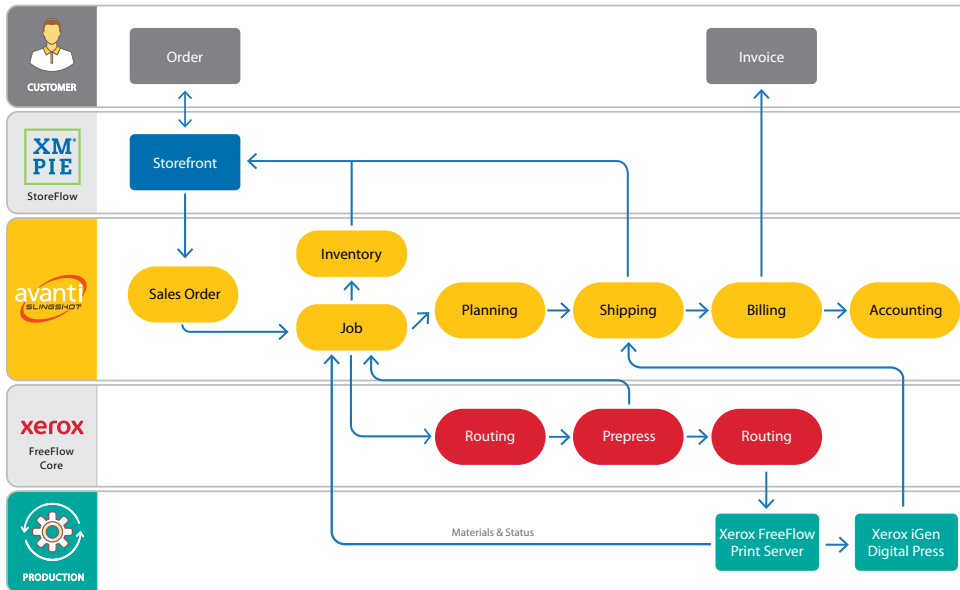

Integration with XMPie Store Flow enables you to provide an online storefront/ordering portal for your customers. A key feature of this integration is that Avanti Slingshot® updates inventory levels in the storefront in real time. Your customers can see their inventory balance and you can improve your service delivery, streamline your operations and optimize your sales.

About XMPie

XMPie Store Flow is a full featured web-to-print solution with built-in prepress automation, and a best-in-class software system for creating and managing online storefronts and marketing portals.

BENEFITS AT A GLANCE

With a seamless web-to-print storefront workflow you'll increase service levels, drive down costs, improve response times, and optimize sales.

Automated Order Entry

- Storefront orders go directly into Avanti Slingshot® where jobs can be automatically routed to production – no more rekeying of data

Operational Improvements

- Cut down on losses due to errors and reporting delays
- Improve cost efficiency by automating complicated, manual, time-consuming tasks

Automated, Real-Time Product Inventory Status

- Inventory status in the storefront is updated automatically
- Easily monitor the number of products in and out of stock and in demand in real-time

Sales Optimization

- Optimize storefronts for your clients to drive higher sales with better access to information about which print products are in the most demand and which combinations are ordered

Integrated Shipping Capabilities

- Storefront is automatically updated with real-time shipping details

Improved Service Levels

- Stay ahead of the demand curve
- Respond quickly to any changes
- Keep the right number of products on hand

WE HAVE ANSWERS®

At Avanti, our goal is to help you deliver more jobs, in less time, with the confidence in knowing that every aspect of your shop is integrated into one powerful platform.

Award-winning, JDF-certified Avanti Slingshot® allows for the sophistication required by today's Print and Mail shops. The platform is also able to manage multiple lines of business, handle large/grand format, fulfillment, as well as digital and offset print.

Connect islands of automation, eliminate breakpoints in your workflow, and get the information you want – when you want it, and where you want it – easily, with Avanti Slingshot®.

From order entry through to production and billing, Avanti Slingshot® enables you to work more efficiently, control your costs and move more jobs through the shop with ease.
